STORY

Halfway through the 16th century, the Knights of St John used Malta Island, with its centre position in the Mediterranean Sea, as defence against Ottoman Turkey and as a marine defence line to protect Christianity, controlling the fate of all Europe. For the first time since the establishment of the Knights of St John, they have accepted a female Knight, Aciel. Even the elder Knights who were fully opposing her acceptance have been overcome by Aciel's sword skills and spirit as a Knight, and now joyfully welcome her into the Knights. Moreover, as Aciel was appointed by the leader of the Knights as the commander of the 9th branch, which is the crux of the 8 branches, she needs to collect Knights from all of the different branches to complete this new branch. Aciel has been given a mission to capture the spy who has infiltrated the Knights. In one glance, she identified the spy as Enrique de Marcus, the vice-commander of the Leon of Castile branch who is participating in the test to join the 9th branch.

* Before starting "Umi" I had to think about what I wanted to do There were doubts of how I was going to portray the Empire of Rome and it's a hard line to define There are issues such as whether or not Emperor Augustus was delusional and that Vesta may have been paranoid Other exciting things such as the senate... the slaves... the Appian Way extending to Europe and what actions gave birth to other deeds It's hard to decide and I've been playing around with various ideas in my head While still not settled I will now put additional details to the story of the Cannetti brothers during the early dark times of ancient Rome

Note About those details of Rome, you may want to google them. Its all about History, Rome and their achievements

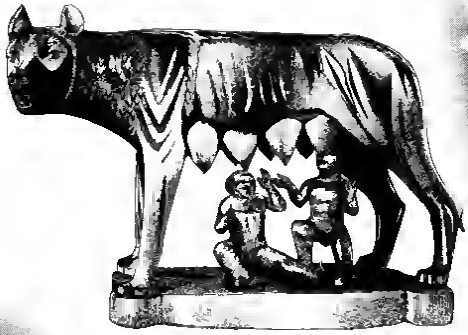
According to the legend dating back to eight centuries ago,

When Numitor, grandfather of the twins Romulus and Remus, was overthrown by his brother Amulius, the usurper ordered the twins to be cast into the Tiber River.

But a she-wolf rescued and suckled them.

After some time, the brothers were found by a herdsman named Faustulus.

Faustulus took care of the twins and raised them.



And that is the legend told today

The Romans Brothers

Are you guys okay?

Hercules!

Hercules!
This...
This is...
Hercules..
you
I protected brother Agostino!
By killing those people!
Father!
UWAAH WAAA

Team Zica Credits: ***Wolfene*** translated. This was such a hard chapter to work in! Thank you very much, your work took us off from a dead point :)

How frightful...
I've heard that he was even laughing...
And yet, Hercules could kill two people!
The twelve year old Agostino was so scared that he started bawling!
How can this kind of thing happen?
Dear...
Ah... how!
How disturbing.
What my brother (who is two years younger than me) did guilts me as it is not a small matter.
We noticed something off about Hercules when he was 6,
but that was the first time he killed someone.
Both of them were killed by me!
Congratulate me!
:

Why is it that even if I mention it ten times, no one wants to praise me?
It's obvious that I did something good, so why hasn't anyone praised me yet?
Right, brother Daniel?
If you think about it, it's important to nurture this bravery of his.
the bravery of a brother trying to save his older brother will be praised by all!
If Hercules grows up to be 15 years old,
...this way!
Hercules...
It should not be...
He's young, so he doesn't understand
You think so brother Daniel?
Really?
Really! If it wasn't for you your older brother would have already been killed. You did very well!
Really good!
What you did was good!
Un
...that's right!

It was due to my encouragement

...was not mental illness nor sick desire

Right? There's nothing wrong with killing people.

Thinking back, the reason why young Hercules enjoyed killing people

us brothers grew up among much protection and guidance

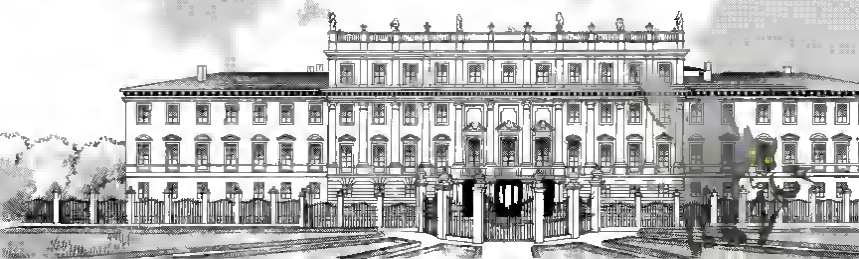
With a very deep relationship between the national royal family and the senior Christian clergy,

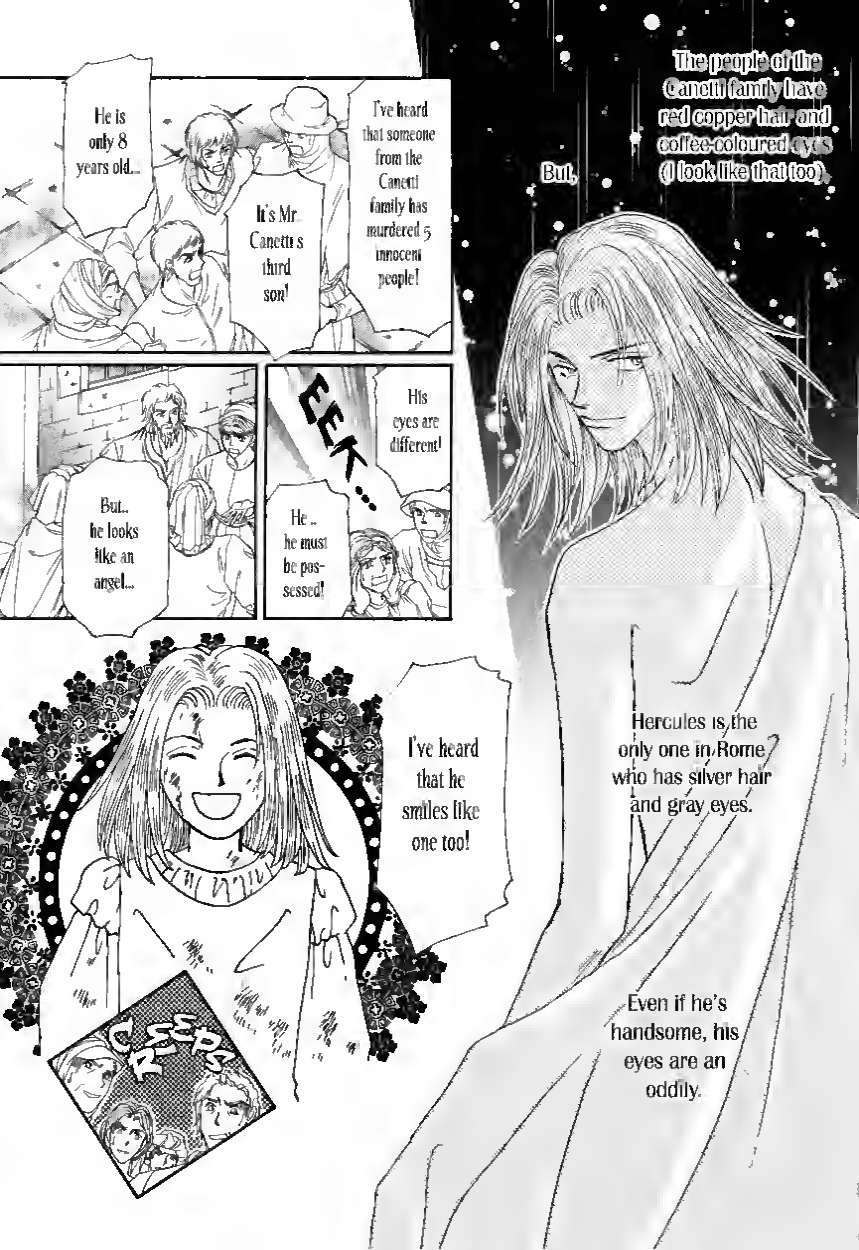
the class system is still superior

Even if we're the famous noble family of Rome,

which was spread across Rome as Romulus and Remus' descendants

We were raised comfortably by the Canetti family,





The people of the Canetti family have red copper hair and coffee-coloured eyes (I look like that too).
But,
Hercules is the only one in Rome who has silver hair and gray eyes.
Even if he's handsome, his eyes are an oddity.
I've heard that someone from the Canetti family has murdered 5 innocent people!
He is only 8 years old...
It's Mr. Canetti's third son!
But... he looks like an angel...
EEK...
His eyes are different!
He... he must be possessed!
I've heard that he smiles like one too!
CRASH

I've noticed that towards Hercules,

there are many people who think differently of him

...however, his actions will definitely gain support from the people, and he could possibly be seen as a hero.

I had no choice but to do it.

For example, if after Hercules kills a bad guy and shows a troubled expression,

You're a good cat!

Look, look, I caught a mouse ♥!

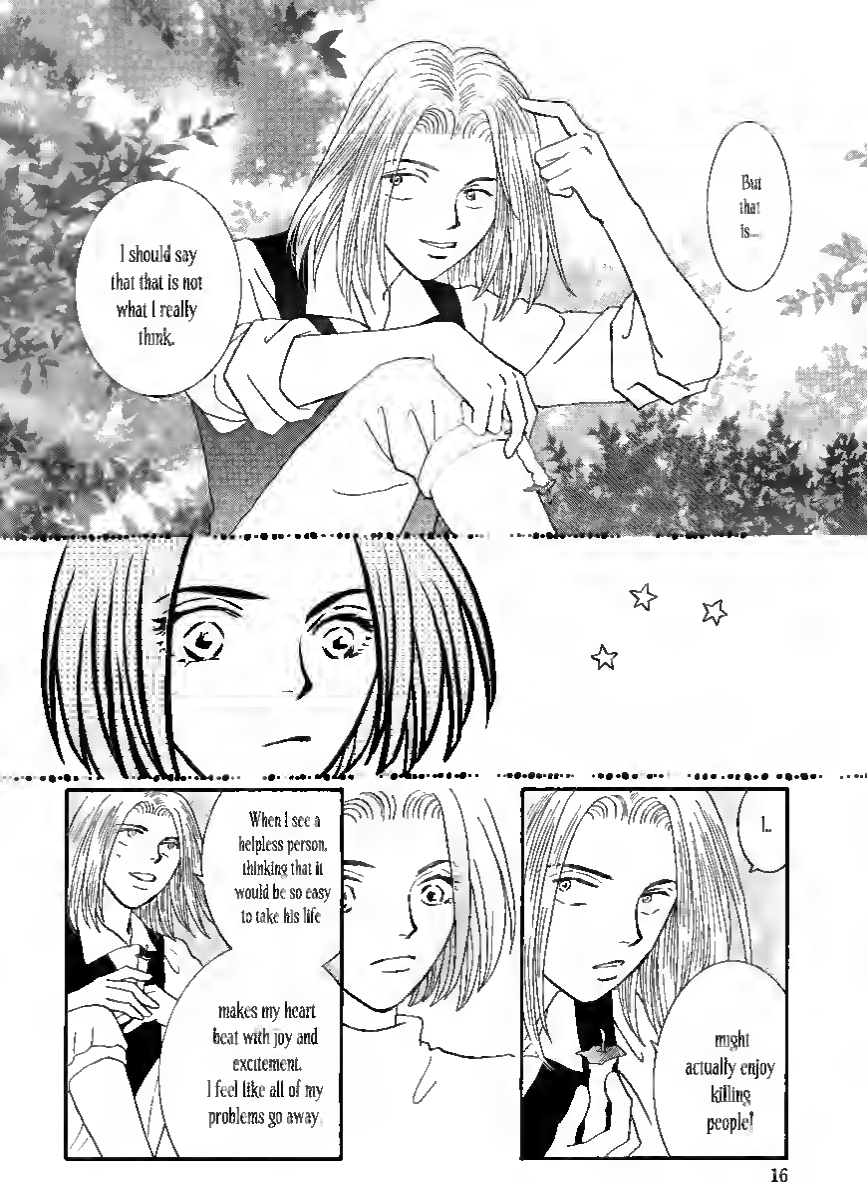
If it were a cat, there would be no issue with it killing something, but Hercules is a human being

That's right.

An act?

It's about time to teach him some proper etiquette.

When people don't understand something, they become scared of it.
regardless of whether it is an angel, demon or a cold-blooded person
From now on, even if you really have to kill someone, you shouldn't exhibit any kind of joy.
That kind of behaviour will make people see you as a monster who simply loves killing.
crunch..
Even if it is done to help someone
You mustn't celebrate your achievement.
It is more graceful to be silent.
Understand?
Hmm.. yup
I understand.



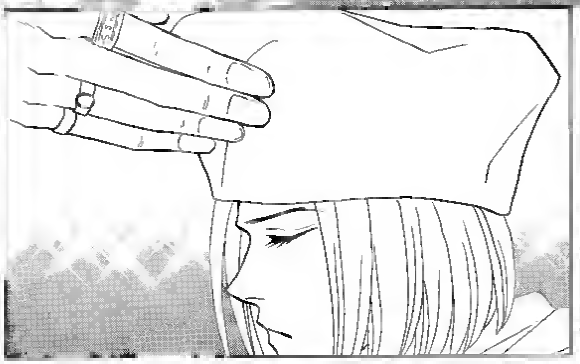
I should say that that is not what I really think.
But that is...
When I see a helpless person, thinking that it would be so easy to take his life
makes my heart beat with joy and excitement.
I feel like all of my problems go away.
I...
might actually enjoy killing people!

Putting up an act of heroism and making the killing seem unavoidable...
I don't feel too good about that.
Thinking back, after I killed those people, I had a huge feeling of satisfaction.
Hercules..
...
But brother Daniel worrying for my sake makes me very happy.
Thanks.
I just like having that good feeling.
The apple was delicious!
It's not that I'm trying to help others.
TAP TAP TAP
Is that really
Is that really his true character?
Hercules
That's why.

Team Zica Credits. *Carola* typesetted. And *Yun* helped. It's so nice to have help in that huge task. Thank you!

Year 1554, Rome.

Even though you are actually the Pope's biological son...



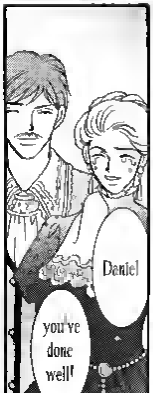
Her-cules.

I think it was a good thing that I received the position of Malta Island's Cardinal instead of Hercules.

Thinking back to the year when I was 14

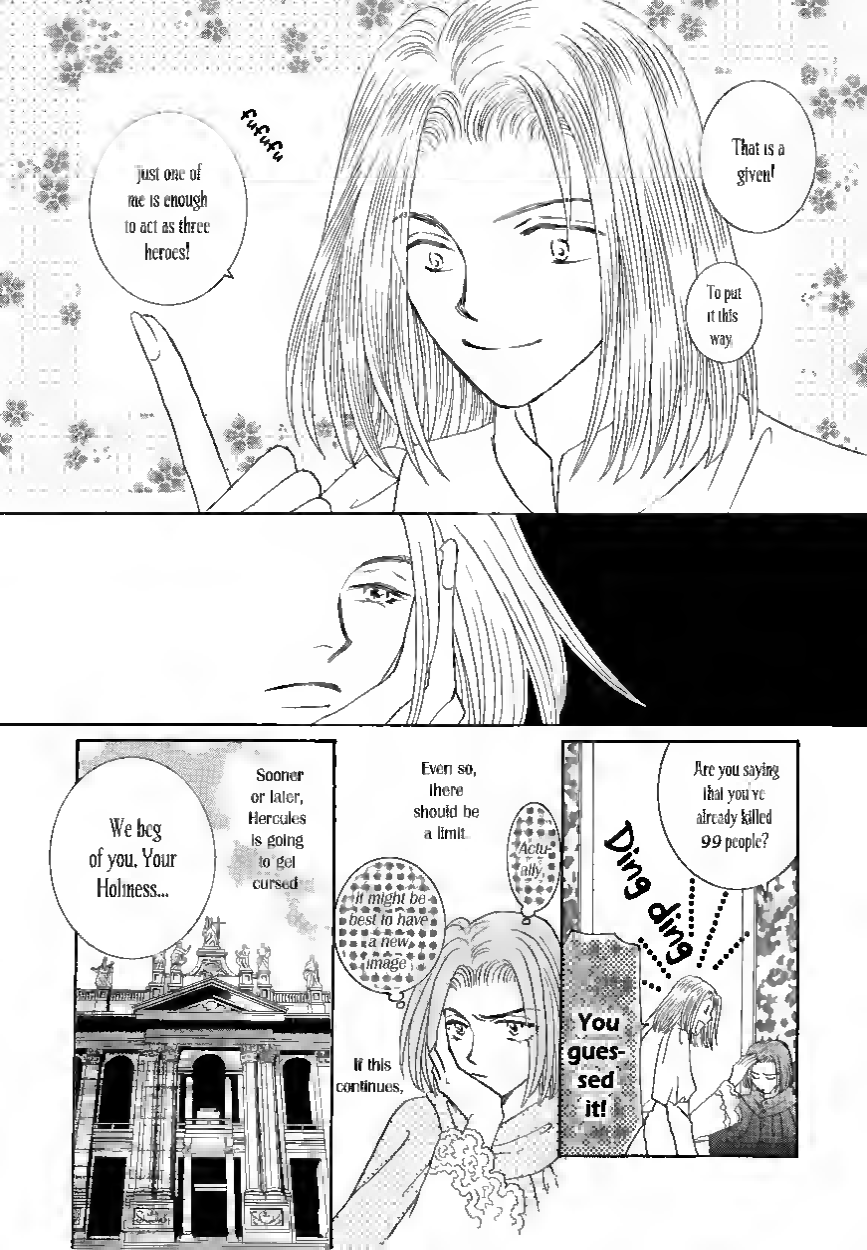
he will inherit the position instead...

It is common that if the aristocratic second son returns soon



Daniel-sama looks so handsome in that attire!
It only took him one year to become the top student at his university...
Ah, I've fallen for him!
He comes from Rome's highest family, the Canetti family.
If he still doesn't have someone in mind
I wouldn't mind throwing myself at his feet!

Chatter
Chatter
Rumours say that the Canetti-sama are already married.
The Canettis have three sons.
Wasn't there one left?
...you mean Hercules-sama?
If you're only talking about appearences He's also a good catch!
!!
and she was found dead a while later!
Do you guys know about it?
I've heard that Hercules-sama was fooling around with a girl one night
Killing women?
Gossip
Gossip
Chatter
How could I do such a thing?!
I only kill people with weapons! (men)
How rude!
Hey I know that they're just rumours.
But the rumours are widespread
It's just that...
During the year I wasn't in Rome, I feel as if your reputation kept getting worse and worse!



fufufu
just one of me is enough to act as three heroes!
That is a given!
To put it this way
We beg of you, Your Holiness...
Sooner or later, Hercules is going to get cursed
Even so, there should be a limit.
Actually,
it might be best to have a new image
If this continues,
Are you saying that you've already killed 99 people?
Ding ding
You gues-sed it!

For someone with no hope...
please help him.
Even if he has saved some people, he shouldn't continue killing others.
We need your help...
regarding the third Canetti son, Hercules.
Hmm..
This is a perplexing matter.
This is the Pope's command.
Hercules, third son of Canetti family...
GULP...
SMASH
cra—ck...
outing attire
Even if it's in the name of helping someone, you're not allowed to kill anymore.

Because this is the Pope's command.
you, child, will have to obey
Do you understand?
What is your answer?
Na..
Ah!
Daniel, you're really dependable
People find it easy to trust you
Daniel!
As his older brother, I will ensure that Hercules abides by this
Should he go against the Pope's command..
I will give up my title as Cardinal
MFPHM!
Nasty old geez..
Understood Your Holiness!
Yes!

Team Zica Credits: ***Zilvere*** cleaned. Well also Carola did clean, but the easy part Hes the sensei in this matter ^^

...
If I kill someone
Daniel will have to give up his title?
How can this be?
Do not have such a troubled expression, Hercules.
Oh and stretch out your hands.
This is for you.

Take it!

What should I do?!
So that's how you named it
Raptors are carnivorous
Maybe the feed was not fresh enough..
Then, what should I do?
Go catch a living mouse...
Quickly, go...
Daniel, there's an emergency!

That's great..
Ilias ate it, Daniel!

You have to eat more to grow up fast and strong!
Have you remembered that?

I'm your father...Elias!
SO CUTE... SO CUTE... MY ILIAS...
KYA KYA

Isn't some demon prince.

Hercules...

Maybe he will...

develop more compassionate feelings as any normal human?

Congratulate me!
I protected brother Agostino!
That was Hercules' reason for killing people.
Whenever I think of Hercules,
I can never relax.
What if he never changes his ways?
Growing up in the family, it was always Hercules who got the most negative attention.
Every new person who met him all got the same impression.
There were always rumours surrounding the third son.
And those rumours were all sort of disturbing things.

Team Zica Credits: ***Ren*** proofreaded. Thank you for the good disposition! Zivere may give you some cleaning soon XD

Hercules.
Wha... what are you doing, Daniel?
Ihas is going to get squished to death!
PI
I just felt like hugging my cute little brother
It's fine to do this once in a while!

I sincerely
...pray for it.
If one day Hercules can come to love a human being, that'll be great.

Pope's Palace.
It's already been half a year.
Has the situation improved?
After the listening to the Pope's wise words
My child has reformed.
Excellent
Ever since then he's been very well behaved.
Still,
Hercules is a miracle.

He has become an entirely different person.
I am proud.
Eh...
He is only 12 years old,
and he has already killed 100 persons and has been branded as Rome's monster.
If this is not a miracle, then what is it?
Your Holiness.

Cardinal Daniel.

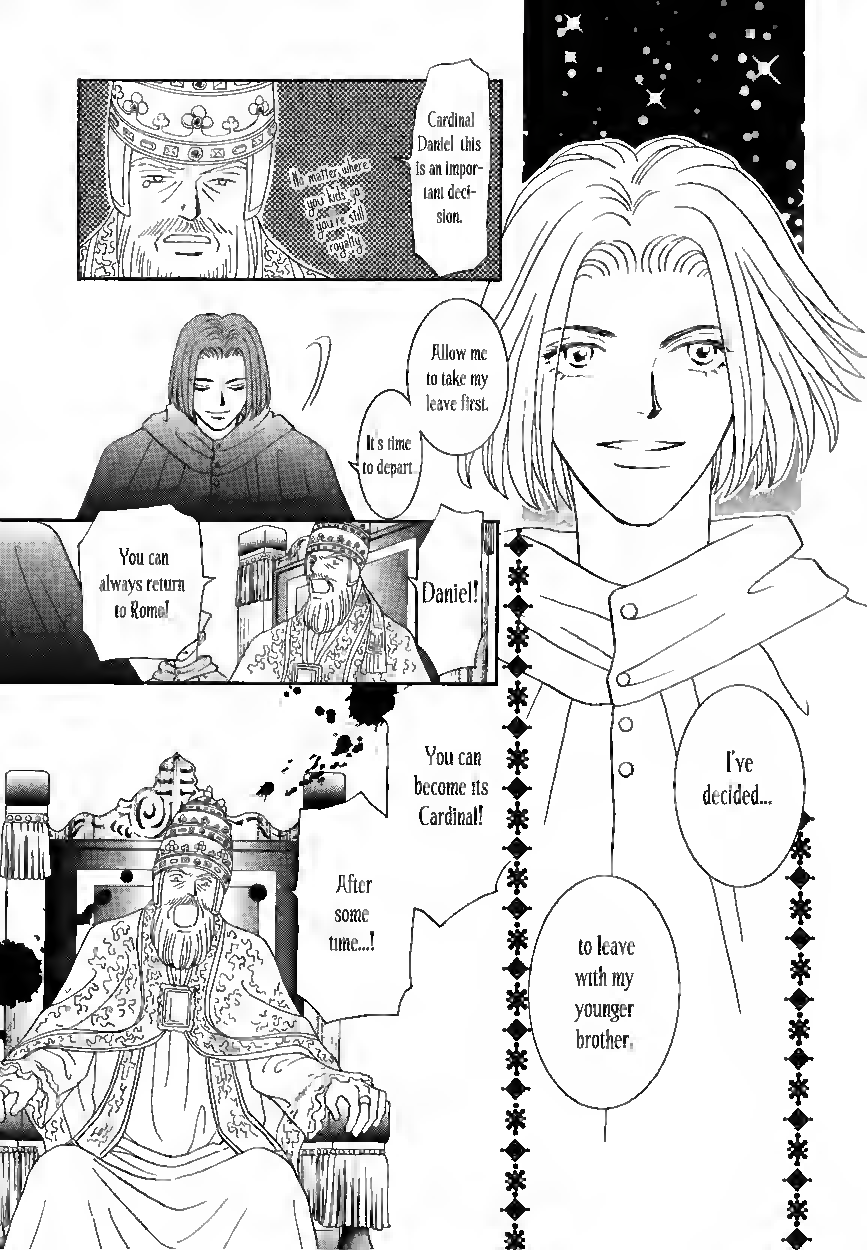
I will not be able to forgive myself.
No, This matter was my mistake
this time, it was unavoidable!
Don't be so rash.
I'm not blaming Hercules for this!



No matter where you're from, you're still a citizen of royalty
Cardinal Daniel this is an important decision.
Allow me to take my leave first.
It's time to depart
You can always return to Rome!
Daniel!
You can become its Cardinal!
After some time...!
I've decided...
to leave with my younger brother.

What exactly is that island?
That is Malta Island?
Don't forget!

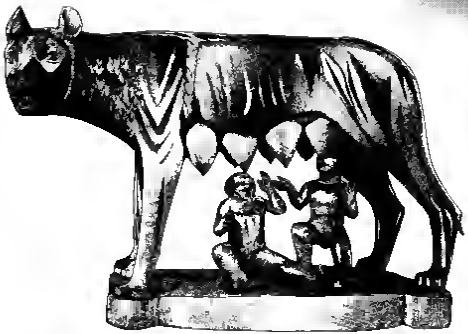
I've heard that it's...

an island with no people on it.

REALLY?

We are Roman brothers.

Just like those in the legend from long ago.



Sure, we'd like some help
Come.

✱Actually, before starting Umi no Kishidan I was considering using Ottoman Turkey as the backdrop of my new work. A young and handsome Sultan Suleiman I. How very moe! And to accompany him to the end would be Sukullu Suleiman's dream would be to conquer Europe. Faced with Charles V and the French king Francis I, it would be a story that would leap through the lives of three young kings. Super super moe! But when I thought about the female lead who would live in the inner palace, I didn't feel like drawing.... Hence I reconceptualised it. Furthermore, I've never been to Turkey. (I've already cancelled my plans to travel to Turkey thrice.... Is this because Turkey and I are not meant to be?) While looking at the super moe headscarf and leather, I drew the background and scenery of Turkey♡

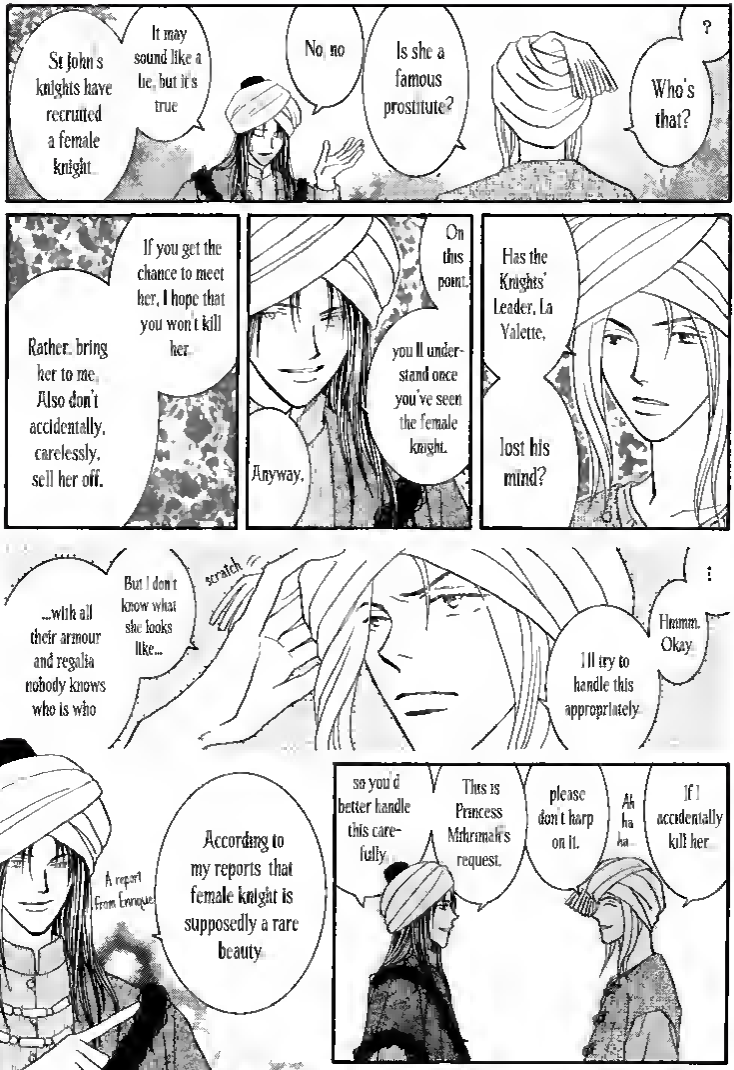
When will you bring Malta's female knight before me?
How many months do you want me to wait?
PAT!!
Princess Mihrimah, the Vizir isn't here...
The Ottoman Empire's capital: Constantinople.
Are you there — Vizir Sukullu?
Sukullu!

!!
To think that the high and mighty Vizir would hide in such a place...
...what happened?
Dragut.
Welcome back, it's been a year since we've met no?
I heard that you were doing beautiful things in Genova?
His Majesty Sulefman is also very pleased!
You flatter me.
I regret what happened to Piri.

I believe Piri would be very thankful
You worry needlessly, Vizir Sukullu
I will inform the remaining guards in Algiers
Anyway, we will first attack the area surrounding Sicilia
...and then head over there to catch a few slaves to sell
Sicilia?
That's near Malta.
Considering how you must feel
you ought to take some time off to mourn
Don't worry about me.
One's revenge is like having some time off .. There is always more work to be done tomorrow.
For our Barbary pirate's bosom friend Turkey.
Dragut,
I have a favour to ask of you.
What is it?
...

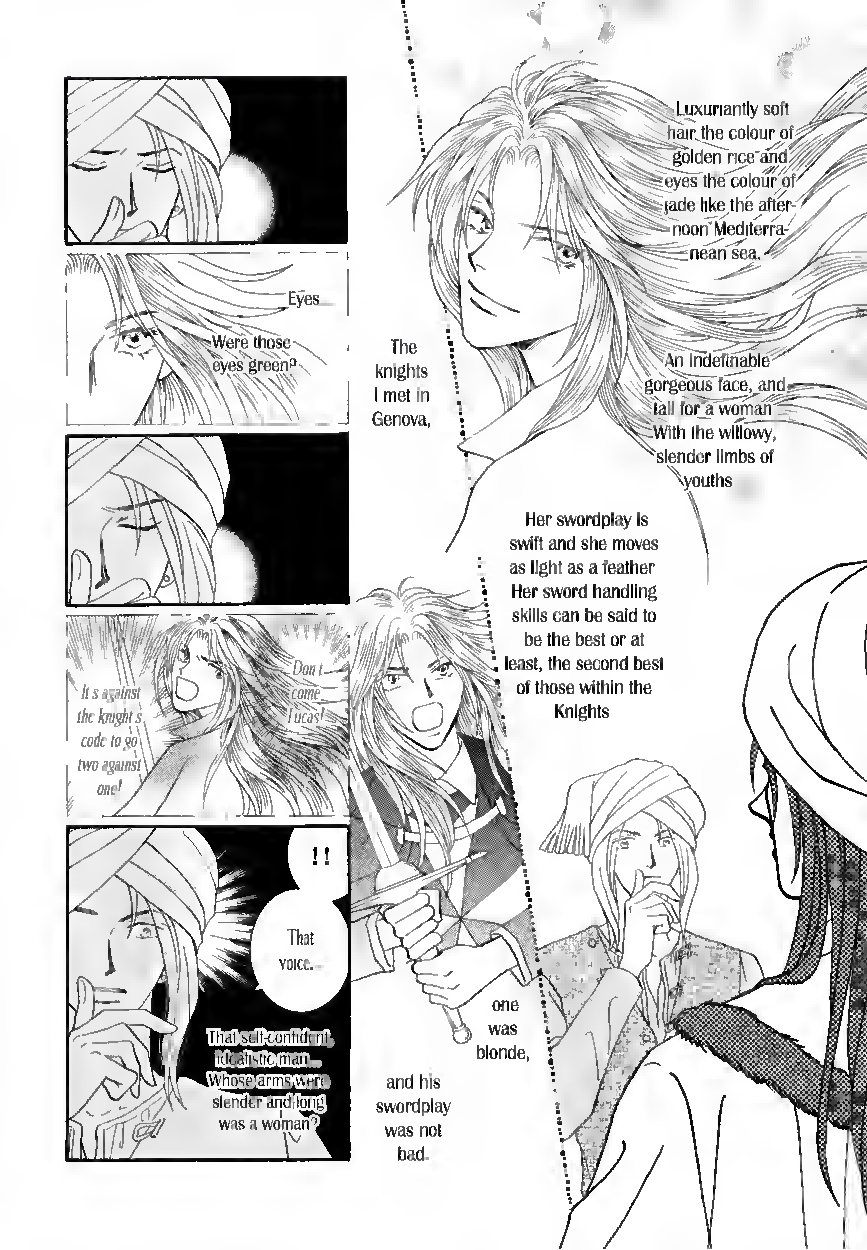
Team Zica Credits: *Pixlx* translated. Thank you very much for the hard and pro work!! It's such a nice time to work with you <3

Bring Malta's female knight...
...here to me.



St John's knights have recruited a female knight.
It may sound like a lie, but it's true
No, no
Is she a famous prostitute?
Who's that?
?
Rather, bring her to me. Also don't accidentally, carelessly, sell her off.
If you get the chance to meet her, I hope that you won't kill her.
Anyway,
On this point,
you'll understand once you've seen the female knight.
Has the Knights' Leader, La Valette,
lost his mind?
...with all their armour and regalia nobody knows who is who
But I don't know what she looks like...
scratch
Hmmm. Okay.
I'll try to handle this appropriately.
According to my reports that female knight is supposedly a rare beauty.
A report from Enrique
so you'd better handle this carefully.
This is Princess Mihrimah's request.
please don't harp on it.
Ah ha ha...
If I accidentally kill her...

Team Zica Credits: *Apo* proofread and did it in no time!! But pro made. Thank you very much! :D



Luxuriantly soft hair the colour of golden rice and eyes the colour of jade like the afternoon Mediterranean sea.
An indefinable gorgeous face, and tall for a woman With the willowy, slender limbs of youths
The knights I met in Genova,
Eyes
Were those eyes green?
Her swordplay is swift and she moves as light as a feather Her sword handling skills can be said to be the best or at least, the second best of those within the Knights
Don't come Lucas!
It's against the knight's code to go two against one!
one was blonde,
and his swordplay was not bad.
!!
That voice...
That self-confident idealistic man... Whose arms were slender and long was a woman?

Could it be that you've met her?
I'm not sure, but I think...
I did.
I will handle this seriously.
St John's Knights' leader, Valette's secret weapon, that female knight,
if we were to convert her and use her,
...would that destroy the Knights?
Vizir Sukullu

To chase away the Knights of St John
and then turn Malta into Ottoman Turkey's fortress
and thereafter to make the Mediterranean Sea and its centre isles...
...belong wholly to me, Dragut Reis'.

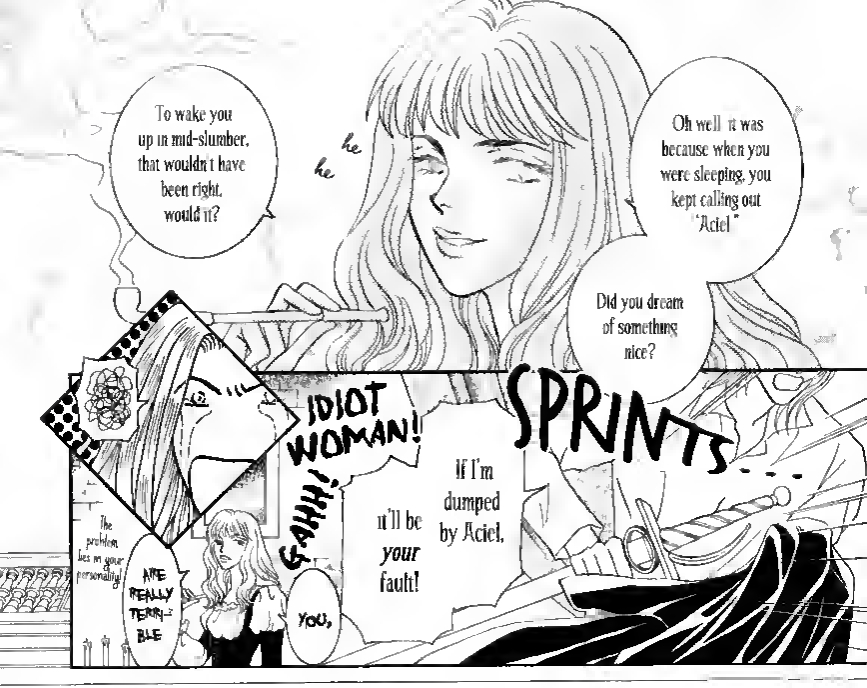
Angel and Demon

In July 1560, Aciel and Lucas both returned to Malta within two months of each other
Welcome back home Aciel sama!
Aciel sama!!
—kya! —kya!
Aciel sama!
Welcome back, Lucas sama!
You ladies have grown more beautiful since the last time I saw you!
My princess Fana and everyone else!!
WE'VE WAITED FOR YOU FOR AGES!~
A long awaited reunion, is also very hot
ME TOO!
I WANT A HUG TOO!
I WAS SO LONELY MASTER ACIEL~
Welcome back, Lucas
Malta's summer is like that.
You'll get used to it in no time.
The weather's different from when we left, the sun is very hot...
Yo!
Captain everyone!
I'm back.
Welcome back, Lucas-senpai!

Augustine sensei has clearly breathed a sigh of relief...
It looks as if Lucas and Aciel's relationship hasn't changed one bit
I can finally relax as well.
There's no need to worry anymore
Yup... Sorry for being away for so long.
Have you sorted out all the old problems?
To have you return safe and sound that's wonderful
Everytime there has been a docking ship expecting to see Aciel. Except for today!
He has been coming here...
What an unlucky person.
Ah?
That's right. he isn't here!
Where's Hercules?
Right... We're missing someone
!!
By the way Lucas. even though you've just returned...
It's okay. it's not a big deal.
Ah, how painful
Never leave me!
Let go of him quickly!
How annoying!
Once the 9th Branch's leader, Aciel, returned, there was an immediate order...
from the Knights' Leader demanding that Aciel to be put on trial for a breach of discipline!
And there was more!
I've already received the Knights' Leader's orders!
How shy you are, princess Farnel
Shouldn't it be time for you to let go?!
Aciel seems t

RISES UP EXTRA FAST!
Aciel has...!
..she has returned?
Indeed
when I was out shopping,
I noticed a commotion at the port,
thinking that I'd find out which famous person had finally come back.
I went to take a peek,
and I think it was Aciel the beautiful youth whom you pinned down in your dreams.
Looks better in person!
WHEN DID THIS HAPPEN!
YOU... YOU STUPID WOMAN!
Hmmm, about an hour ago?
Urgency NONE!
Why didn't you wake me sooner, Theresa?

Team Zica Credits: ***Carola*** typeset and helped with the cleaning. Plus put all the work together. So is looking for an assistant ;) ;) But loves Hercules!



To wake you up in mid-slumber, that wouldn't have been right, would'nt?
he he
Oh well it was because when you were sleeping, you kept calling out "Aciel"
Did you dream of something nice?
SPRINTS...
IDIOT WOMAN!
GAHH!
If I'm dumped by Aciel,
it'll be *your* fault!
The problem lies in your personality!

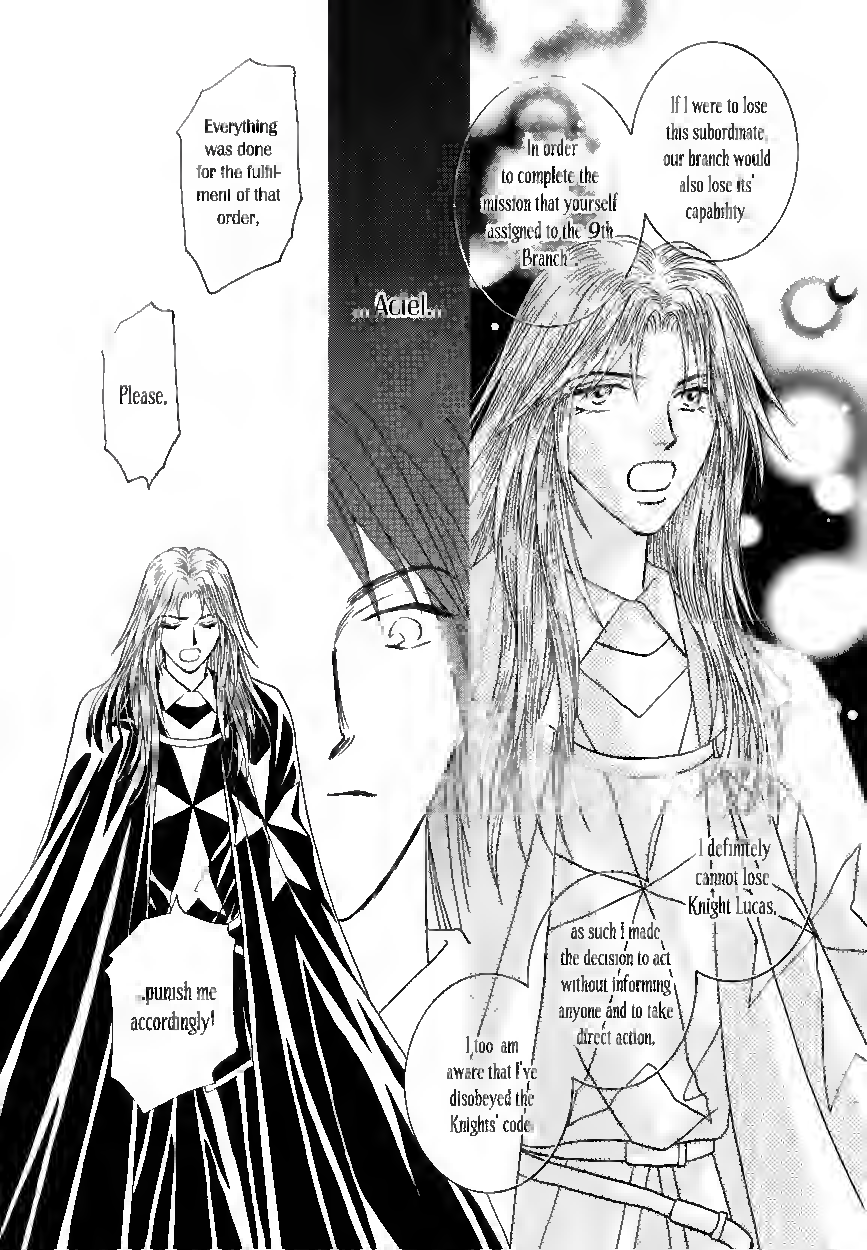
Knights' Leader's HQ

It's really because of me? Seriously...
What exactly is this nonsense? Please enlighten me..
nor did you care about the responsibility you carried, and left the Knights for an extended period of time.
However, leader Ariel, you did not inform me...
I accepted Lucas' request to temporarily return to his hometown...
Two months ago.
With regards to my faithful subordinate, Lucas; any problem of his is my more important problem.
I have reflected upon my oversight in the proper procedures, and for moving independently.
Except...
Also, I have some inkling as to how I will be punished for these

Team Zica Credits: ***Zilvere*** cleaned. Thank you for the work!! Is more appreciated when it's harder time to do it...



Everything was done for the fulfilment of that order,
Please,
...punish me accordingly!
...Ariel...
In order to complete the mission that yourself assigned to the 9th Branch...
If I were to lose this subordinate, our branch would also lose its' capability.
I too am aware that I've disobeyed the Knights' code.
as such I made the decision to act without informing anyone and to take direct action.
I definitely cannot lose Knight Lucas.

What?
As a woman, Ariel has much to learn about being a Knight..!
Lucas.
Knights' Leader!

Punish?!

To be honest, Knights' Leader,
we're responsible too.
We should have gone after Leader Aciel and brought her back.
We are sorry!

So,
If you're going to punish, please punish us too!

To think that...

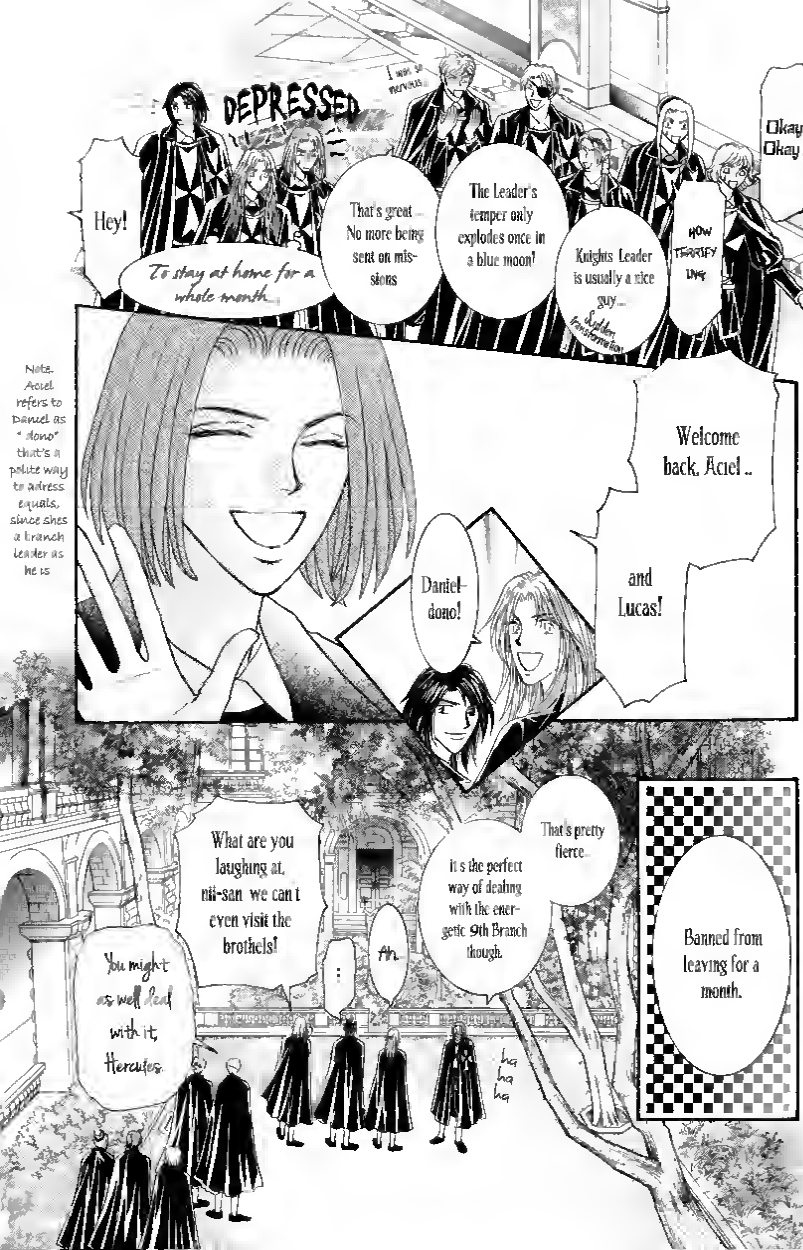
Lucas...
You're back!!

Sorry for not being able to greet you when you first returned.
I just happened to visit the brothel and unintentionally fell asleep!
But don't worry, in my dream I was enthusiastically celebrating your return!
Hercules
Like this, our battle plan to get Knights' Leader to forgive Acid will be useless..
Exactly!
It's rare that we would show such valiant spirit!
Can't you read the atmosphere!
Hercules!
TURN
Members of the 9th Branch,
Tough

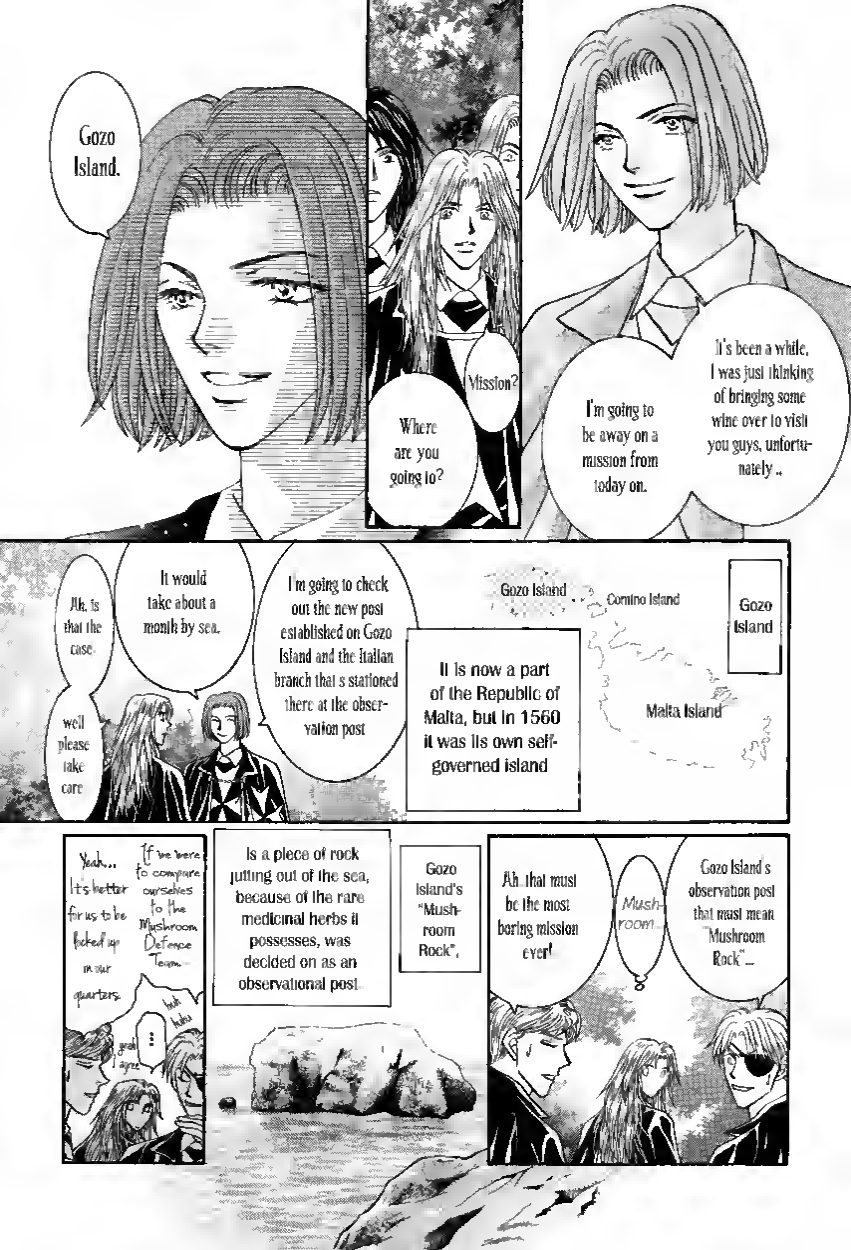
I order that branch leader Aciel and its eight members be banned from leaving to the outside world for one month.
During this month, no one is to leave the branch's quarters, Lucas' place.
So let's resolve this as you wish, we'll punish every single member!
the best punishment I've found for you
HEHE...
This is...

BANNED FROM LEAVING FOR ONE MONTH
How fun!
What a good form of punishment!
Yeah!
this should be the best way of dealing with hot-blooded youths!
nor can you visit brothels or bars...
In this way, you can't independently attack or travel...
ROAR
WHAT ARE YOU GUYS STANDING THERE FOR?
THE WHOLE UNIT IS TO IMMEDIATELY RETURN TO YOUR QUARTERS AND REPENT!
FROZEN
GLARES
You dumbos



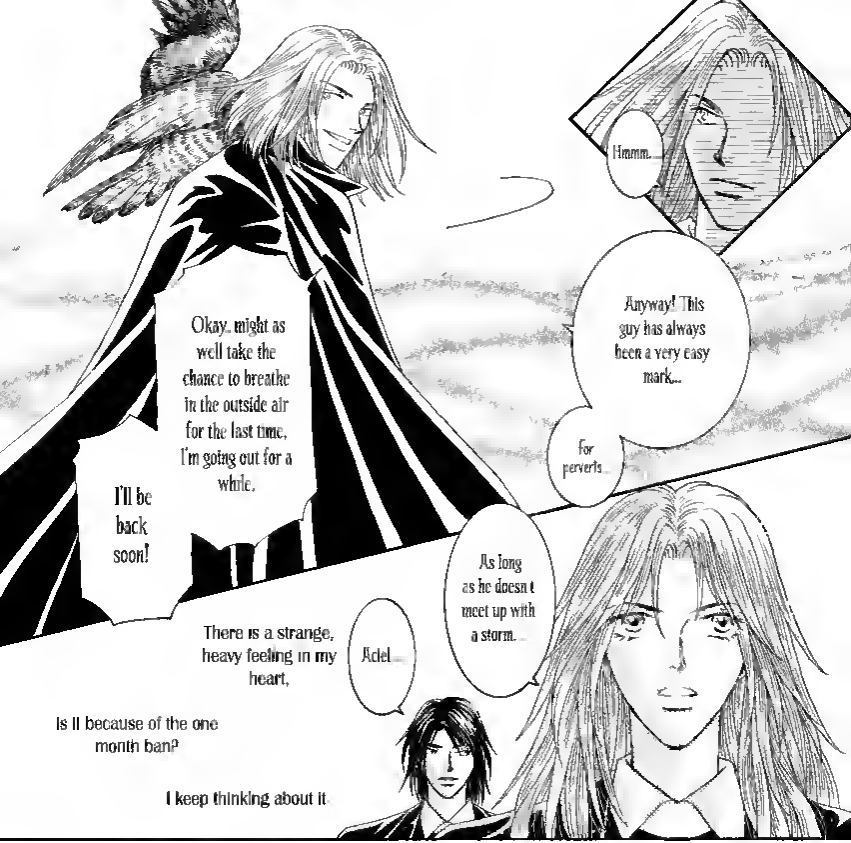
DEPRESSED
I was so nervous...
Okay Okay
Hey!
To stay at home for a whole month...
That's great — No more being sent on missions
The Leader's temper only explodes once in a blue moon!
Knights Leader is usually a nice guy...
Sudden transformation
HOW TERRIFY UNG
Note. Aciel refers to Daniel as "dono" that's a polite way to adress equals, since sines a branch leader as he is
Welcome back, Aciel..
and Lucas!
Daniel-dono!
What are you laughing at, nii-san we can't even visit the brothels!
You might as well deal with it, Hercules.
Ah.
it's the perfect way of dealing with the energetic 9th Branch though.
That's pretty fierce..
ha ha ha
Banned from leaving for a month.

Team Zica Credits. ***Kuu*** helped with lost translations Thank you for the patience!! *hugs*



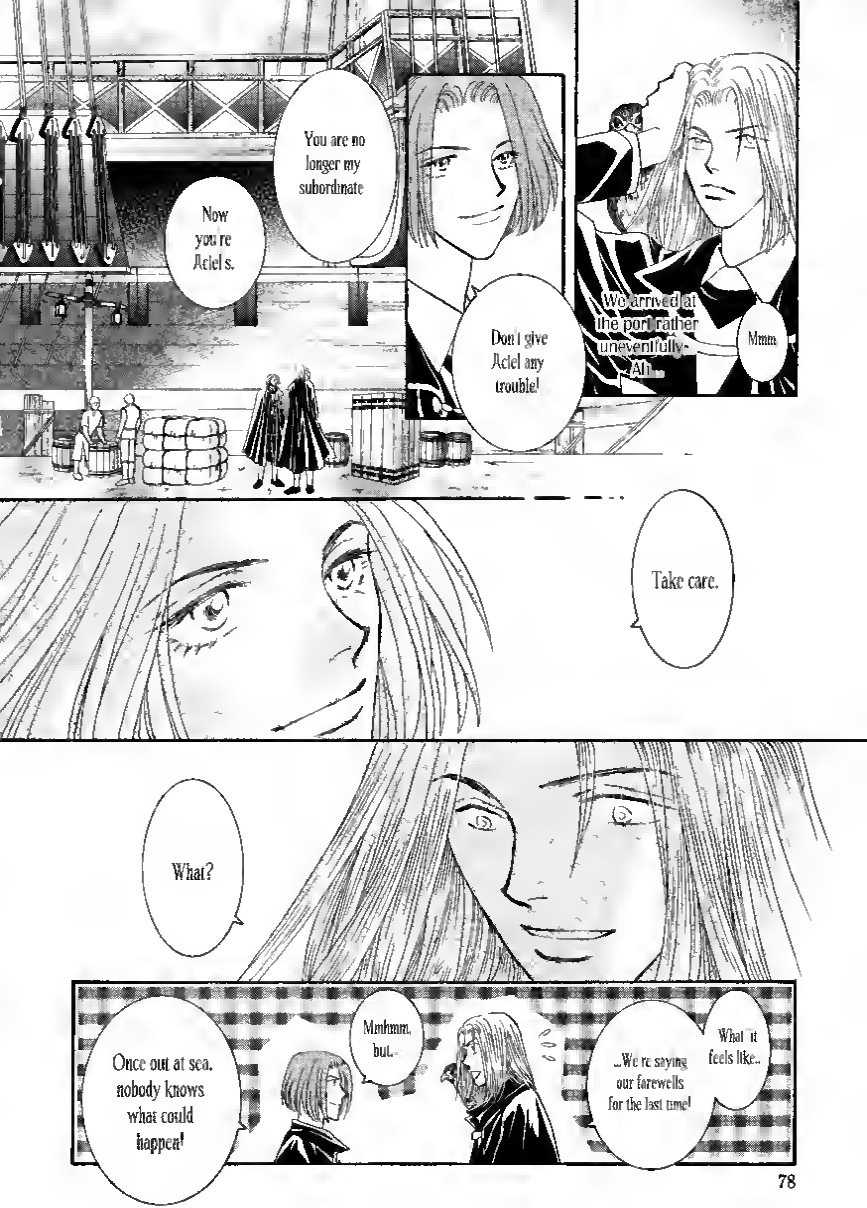
Gozo Island.
Where are you going to?
Mission?
I'm going to be away on a mission from today on.
It's been a while, I was just thinking of bringing some wine over to visit you guys, unfortunately..
Ah, is that the case.
well please take care
It would take about a month by sea.
I'm going to check out the new post established on Gozo Island and the Italian branch that's stationed there at the observation post
Gozo Island
Comino Island
Gozo Island
Malta Island
It is now a part of the Republic of Malta, but in 1560 it was its own self-governed island
Yeah... It's better for us to be locked up in our quarters.
If we were to compare ourselves to the Mushroom Defence Team—
Gozo Island's "Mushroom Rock",
Is a piece of rock jutting out of the sea, because of the rare medicinal herbs it possesses, was decided on as an observational post.
Ah..that must be the most boring mission ever!
Mush-room...
Gozo Island's observation post that must mean "Mushroom Rock"...

I ought to get going now.
Right, Aciel
But,
for a hyper-energetic you this order must seem like a huge waste of your time right?
Knights' Leader is not the sort of person
who would force you to go through a useless experience,
This, I can guarantee.
Daniel-dono
For a month, do your best.
Hercules.
Eh?
Send Daniel-dono to the port.
Ah? That's not necessary!
Somehow I feel...
...uneasy about this.



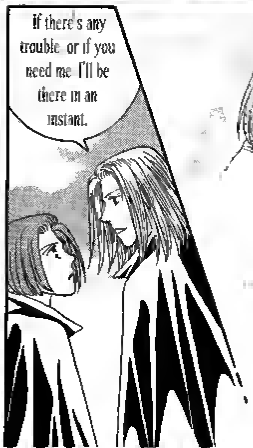
Okay, might as well take the chance to breathe in the outside air for the last time, I'm going out for a while.
I'll be back soon!
There is a strange, heavy feeling in my heart,
Is it because of the one month ban?
I keep thinking about it
Adel...
As long as he doesn't meet up with a storm...
For perverts...
Anyway! This guy has always been a very easy mark...
Hmmm...

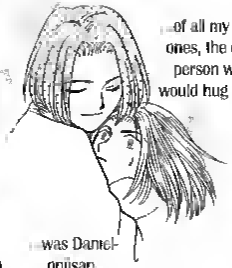
I'll be right back.
...my instinct has never been off before...
I should have been able to recall at that time...
But



You are no longer my subordinate
Now you're Ciel's.
Don't give Ciel any trouble!
We arrived at the port rather uneventfully. Ah...
Mmm.
Take care.
What?
Once out at sea, nobody knows what could happen!
Mmhmm, but...
...We're saying our farewells for the last time!
What it feels like..

Since I became more mature



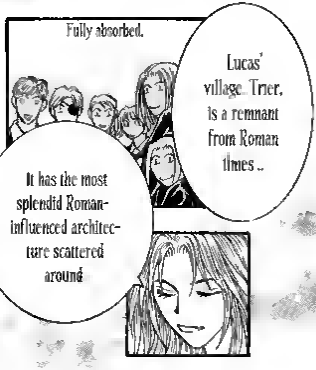


Let's go back, Ilias.
Ariel's waiting for us.
Why,
why do I find it difficult to leave
Such a heavy feeling
As if I were chained to the ground by my own shadow?

SILEN・・・・・CE・・・
What's the matter with everyone?
So gloomy...
Because...!
...we have to stay at home for the next month...
...the moment we think about that, everyone begins to feel really morose!
Maybe it's better to be the Mushroom Defence Team?

It's precisely because no one is talking that we start to think about such gloomy things.
It's a rare opportunity for us to be together...!
Come, let's talk about something pleasant...
...that way it'll be more constructive
Tragic
My beloved black cat Lulu was run over by my father's carriage...
Sorry... It's my fault for suddenly asking you to speak.
Ah... That wasn't a pleasant topic
Ah?
Do you have something, Lou-Loule...
Well... That
I was a then and...
Then...
I just came back from Germany so I'll start!
WHAT?
GULP!
Listen to me okay!

It was so familial and comforting that I almost forgot the reason why I brought Lucas back in the first place...



Fully absorbed.
Lucas' village, Trier, is a remnant from Roman times...
It has the most splendid Roman-influenced architecture scattered around

I was received most hospitably and passionately by Lucas' genial father and his beautiful, cheerful mother,

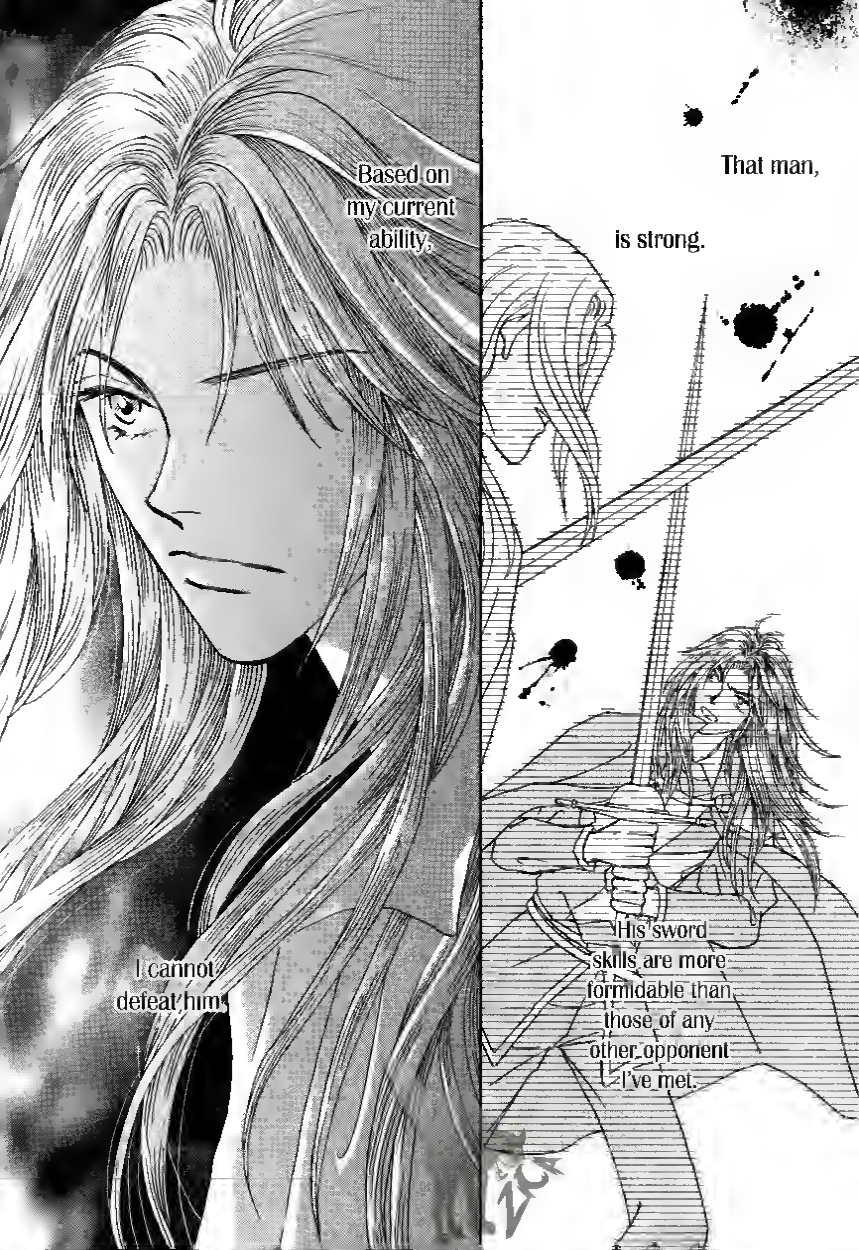
What was especially lovely was...

Team Zica Credits. ***Ren*** checked the quality. Isn't as fun as cleaning but is enjoyable as well? Right? ;) Thank you!!

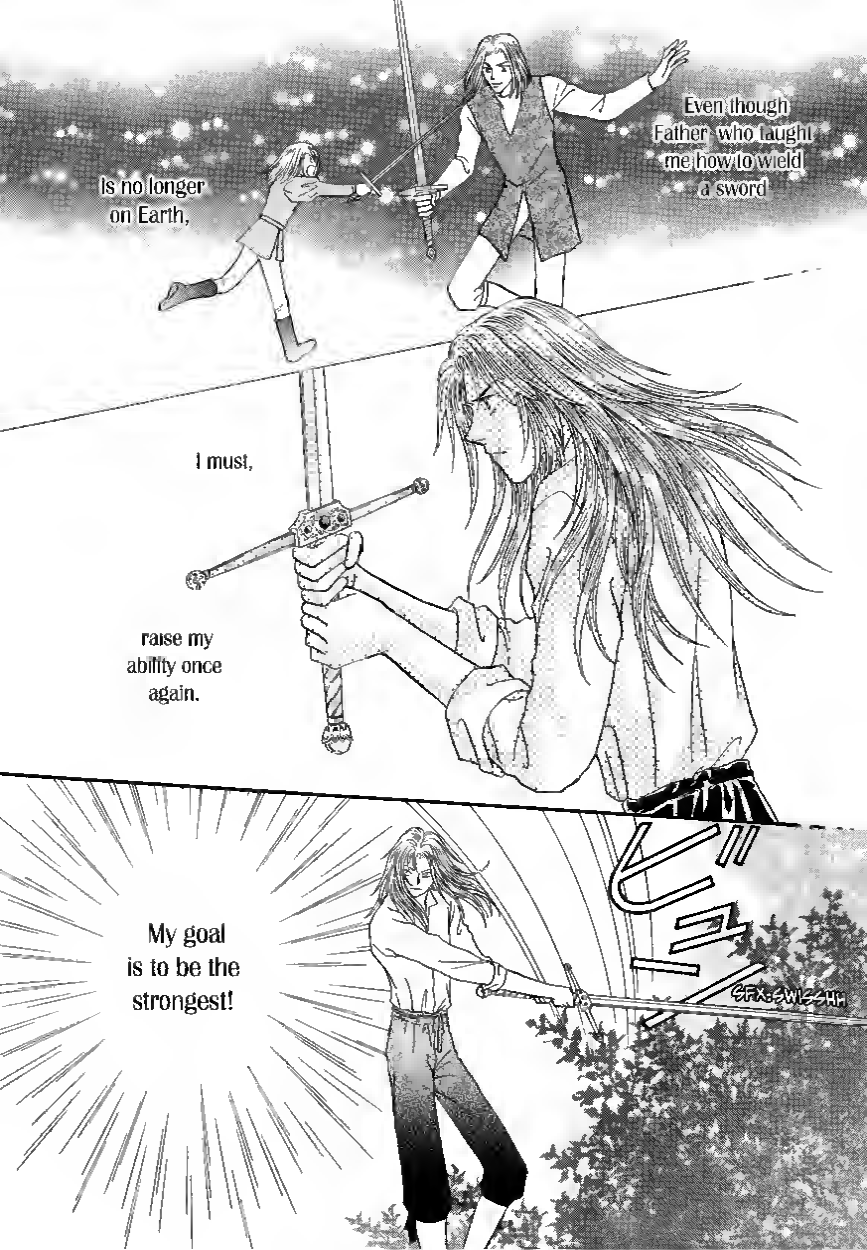
DO——OM...
BUHHHH...
ACIEL IS EVERYONE'S MOST IMPORTANT LEADER!
EXPLAIN YOURSELF!
What
What is this, Lucas?
SHOCK! BANG!
Is unable to respond after listening to such a thing.
Even the youngest one.
That is... I entered first...
and then Aciel suddenly followed me in, but...
Nothing untoward or inappropriate happened!
That's because it was a reallllllly huge bath room!
Why blame ME!
And we'll all go to the hot springs together.
It's super comfortable!
The next time everyone has a holiday...
we should all go to Lucas's!
.....

I mean with regards to the sexuality of the branch's members
Isn't this rather bad?
It's the same for England. There is a place called "Bath" which is a hot springs village
Ancient Romans must really like taking baths!
I've never been!
Hot springs!

Handcrafted by Germany's most skilled and Europe's number one blacksmith.
Even though it's strong, it's light.
It should be able to lessen the strain on a woman's slender wrist.
Even if I cut down a thousand people, it will definitely not break.
WHISH...
those pirates we met in Genova
then
The sword which Lucas' father gave me.

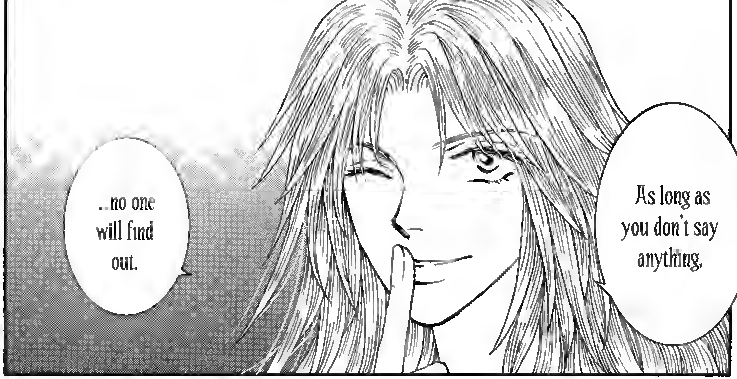


That man,
is strong.
His sword skills are more formidable than those of any other opponent I've met.
Based on my current ability,
I cannot defeat him.

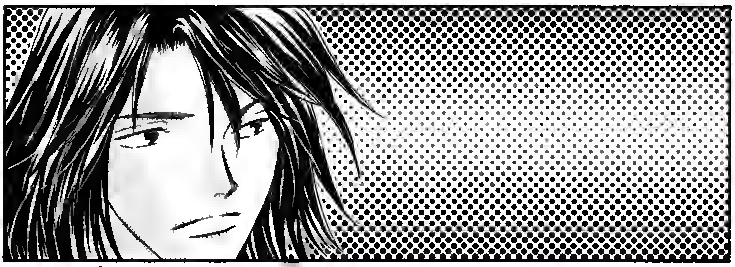


Even though Father who taught me how to wield a sword
is no longer on Earth,
I must,
raise my ability once again.
My goal is to be the strongest!
SFX: SWISH

Have you...
already broken the ban?
!!
It's only the first night, Aciel
Ah it's you Lucas.
No... As common knowledge
A ban on going out means that you have to stay inside the building!
It's no problem this is Lucas' courtyard
It's no matter. It's night time anyway and quite deep inside your courtyard.
it's not like I went out.



As long as you don't say anything.
..no one will find out.



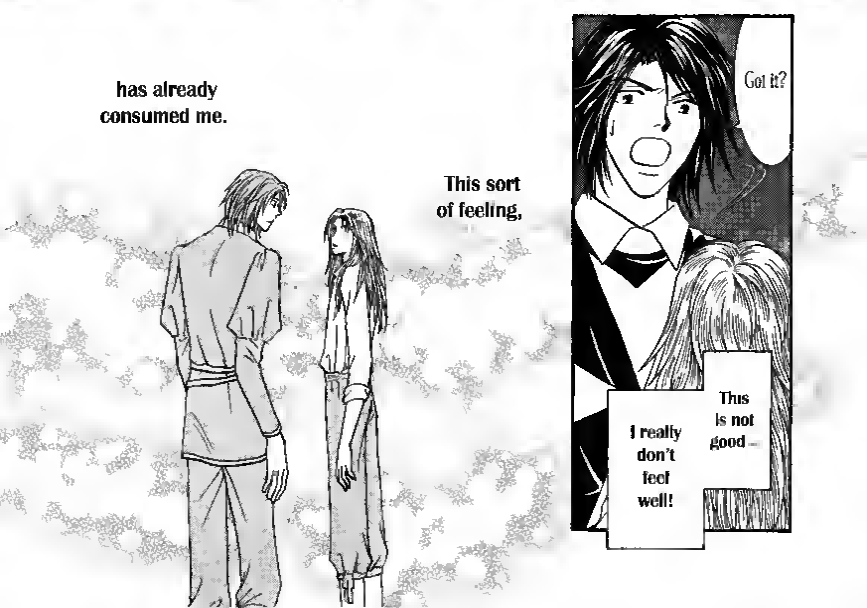
Then give me a bribe.
Such a request isn't really you right?
What are you talking about?
Thanks to that weird topic that you brought up at dinner time..!
You have to pay me back some times as well!
You don't know how much I panicked over that!
This is also common knowledge right?

Hmmm, a fantastical object would be not bad.
What do you want then?
Money will do?
I don't need that kind of thing.
My family is rich.
Something which will make my heart feel warm that sort of thing.
Like...
Hmmm...
reach...
What!?

A thing which gives this kind of feeling
Is it?
EXHAUSTED
What do you think?
...You'd still ask me what I think...

After bathing in the hot springs together...
...was that a real kiss?
bribe noise
That should be more than enough..
Unless you don't feel like that's enough?
Where in the world does this person draw her boundaries?
I will keep silent about your midnight sword practices.
on top of one condition.
I must...
...accompany you every night to practise!
So!
This is not good!
Although she acts like a man her body is really womanly

...so in the future...
...don't ever go to the hot springs with or kiss anyone else!
Of course, you're not allowed to do anything more than that!



has already consumed me.
This sort of feeling,
Got it?
This is not good –
I really don't feel well!

If you're talking about practicing swordplay,
I can also be your sparring partner!
PANT PANT
So Aciel,
I want a kiss too..
Too treacherous, only Lucas!
Wait a sec!
I DON'T ...!
.. NEED ANY SORT OF RE-WARD!
AS LONG AS YOU WISH FOR IT, EVEN THOUGH I MAY PRACTICE UNTIL I HAVE NO STRENGTH LEFT, I CAN STILL BE YOUR SPARRING PARTNER!
Oh oh, Augustine senpai finally reveals his true self
What a selfless fellow

Editor note
If Hercules is panting means he was far away meaning that someone ran to tell him that Aciel was kissing Lucas and that he flew to claim his rights XD

What is this...
...the entire team has disobeyed the order.
HOH HOH
WHAT?
There is no need...
...for bribes anymore!

So for this month.
...the team will gather at the courtyard every night to practice sword-fighting!
Yes!
Branch Leader!
"Knights" Leader...
...won't let you go through a useless experience...
Reply to me!

Having said this, Daniel-dono left.
..this, I can guarantee."
CLANG
CLANG
KAN
CLASH
And a week passed.
Master Lucas!
Someone's come to look for you!
In the end because the entire team was punished and forbidden from going out,
the teamwork and intimacy between them has increased.
Was this what Knights' Leader's plan?
Of course I do.
It has become such that we go out in broad daylight.
Heh
and what's the matter with that?
My family's servants are gossips.
I'm gonna get tough with you!
stick
Woah! Hercules is gonna beat us instead of killing us!
Woah!
DAMN IT, DIDN'T GET A KISS

when everyone is outside...
Oh dear to choose a moment like this
Please ask the guest to wait for a while...!
Johan...!
!!
A red hat.
RUSTLE...
Ciel-dono!

Captain Florent!
Long time no see, Aciel-dono...!
PANT...
And every-one from the 9th Branch!
You're as outstanding as usual!
Thanks for last time
Long time no see!
How is everyone from your team?
Thanks to you...
Mmm
Now is not the time to make small talks...
According to the information I obtained when we docked at Malta's port...!

The leader of the main fleet is Dragut Reis!
The Barbary Pirates' captain,
is currently nearing Malta's neighbouring island - Gozo!
Dragut Reis
It will be completely annihilated!
...to do some investigation!
I'm going to Gozo Island...
Gozo Island will be completely annihilated!
Daniel-dono!
Further-more!
!!

Gozo Island
Look at that!
That thing.
Hmm?
Hey!
Hey!

Those are. .
Pirate ships-!
WAAAH!
KYAA!
We will be killed!
Quickly go to Rabat!
(the inner mainland town)
SHRIEK!
UWAH!
Everyone will be killed!
Pirates!
The pirates are coming!
Every-everyone!
Uw-waaaah!
Not good!

Yes!
Vice-Captain.
After we land, choose several strong and healthy youths from among the islanders ..
And kill them.
in front of the others
As for the rest,
They are merely mindless sheep.

scene. 15
Angel and Demon 2
Lord Knight,
the situation's bad!
KATHUM!
KATHUM!
KATHUM!
Barbary pirates have landed at Marsalform Bay,
they've taken most of the villagers as hostages!
!!

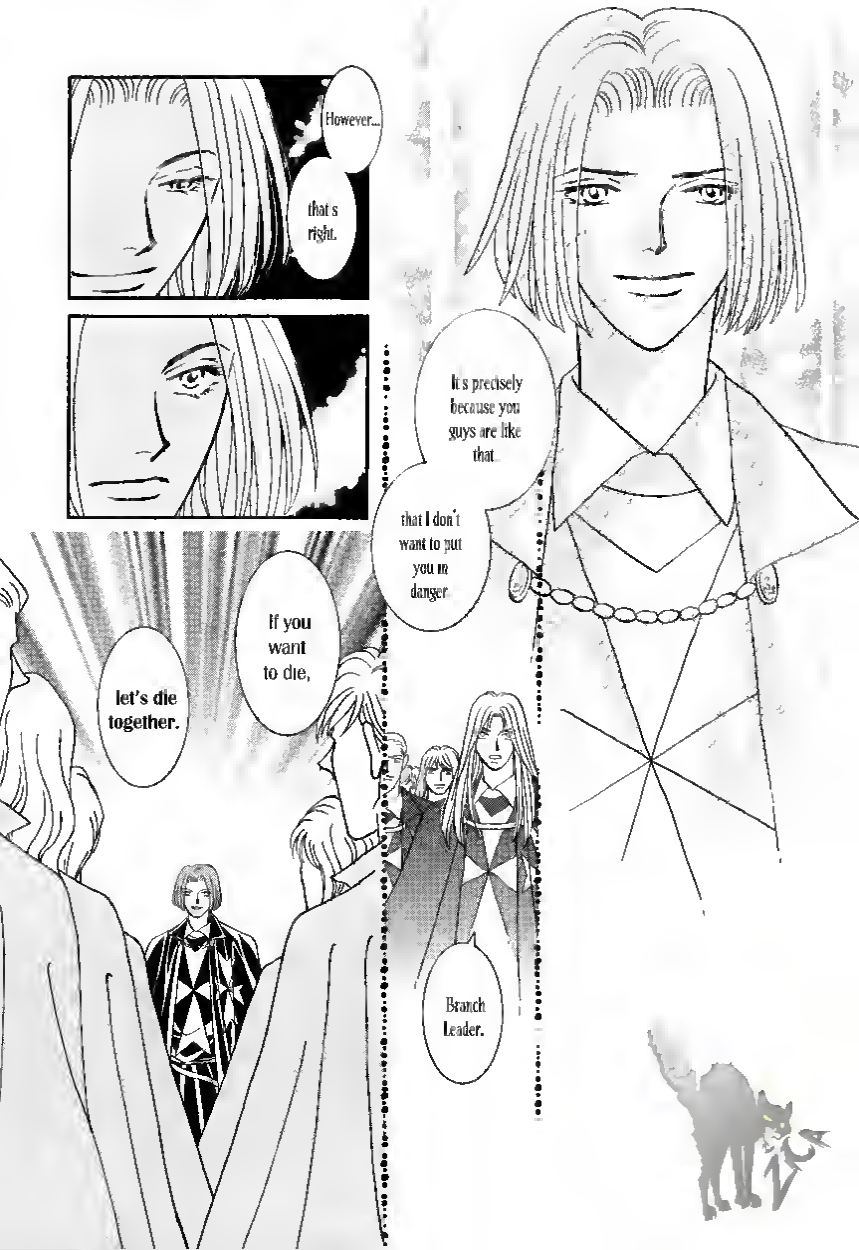
Team Zica Credits: *Pixlx* translated. Thank you very much for your great work! Is very easy to work with. Good luck in your exams!

Did you just mention the Barbary pirates? How many ships are there?!
pant pant
Well... there's a lot! More than 20!!
No, even more than that!
Is their goal to capture slaves?
There are at least about over a thousand pirates,
and we have only sixty men.
...
Branch Leader Daniel, what shall we do?
Vice Captain Cagliari
You,
and everyone with you must retreat to Malta to get help
I...

What are you talking about!
Because if the entire team were to leave Gozo Island
the Italian branch will be perceived as forsaking the Islanders.
But, we just have no chance of winning, so I hope to reduce the number of casualties to the bare minimum.
Cagliari...after my death, it will be up to you to take on the responsibility of the Branch Leader...
I'm entrusting it to you okay!
...will stay here to kill five or six of those pirates.
!!
What?
By the time the reinforcements arrives, the pirates would have all gone!
Furthermore, to leave the Branch Leader...!
Don't joke with me!
All of us will be killed by Vice Captain Hercules!
Either way we're going to die

I will leave behind a will to be given to Hercules.
Hmm, that's true.
To tell him not to kill you guys.
Even though our swordplay is not as strong as Vice Captain Hercules
We are also Knights!
...and to leave us as the only ones alive?
How can we stand by and watch our respected and beloved Branch Leader be killed..!
...
Exactly!
Well said!
If you want to die, let's die together!

Team Zica Credits. ***Carola*** typed. Yes, she does a great job. And so deserves an assistant. Or to win the lottery.



However...
that's right.
It's precisely because you guys are like that
that I don't want to put you in danger.
Branch leader.
If you want to die,
let's die together.

LET'S GO!!
Let's head towards Rabat Citadel,
and fight together with the citizens who have fled from trouble into Gozo Island!
Onwards!
To rush headlong towards our death...
...will we be able to reach heaven in the end?
Even though we definitely won't be able to win!
Master Knight!
THUD
STOMP STOMP...

BAM!
Please give the order for us to depart immedi-ately!
Knights' Leader!
Knight's Leader's Headquarters
The pirate Dragut Reis' fleet is currently landing in Gozo Island!
Immediately call all the Branch Leaders, and inform all the Branches to render aid!
Secre-tary!
Yes!
The situation is indeed urgent...!
We, the Ninth Branch, are ready and prepared to leave!
Please give us the order!

What!
Knights' Leader's orders are not to be disobeyed...
You are currently under the ban.
I will not allow you to leave.
That is impossible.
Ah?
Knights' Leader...
In that case,
I will leave.
If you are displeased with anything, just leave the Knights...
...Aciel.
Hercules-senpai!
Hercules!
!!
So fire me!
...I cannot stand by idly and watch my beloved elder brother be killed
Sorry... Even though I truly wish to work under Aciel,
Hercules!

Wait, Hercules!
I want to go too!
Aciel!
I want to avenge my father!

...now I see...
That pirate, Dragut Reis,
is the man who killed my father!
Since I know that this man is nearby..!
....please allow me to go!!

...is the man who killed Aciel's father.
Dragut Reis...
Even if that's the case,
I still cannot let you go.
Knights' Leader
Like you right now,
is unable to win against Dragut Reis
!!

Team Zica Credits: *Kuu* proofreaded. Thank you! You're sucha a hard worker, it's great to have you near to help me with the languages! *hugs*

An immature knight who in the passions of revenge loses her cool ..
not only will you be unable to avenge your father, but you will also be killed. I cannot allow you to be like a lamb sent to the slaughter...
Have you forgotten what your respected father was like? Ariel...
Your father Ariel was even more skillful and even more outstanding knight than you currently are!
Don't be arrogant!
I will only know if I try!!
As to whether I shall be able to win or not

Aciel...
I will go and defeat him!
Hercules!
Just you wait and see, Aciel.

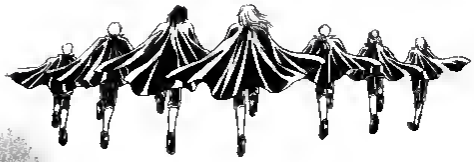
THUD
Knights Leader,
I want to go with Hercules!
Augus-tine...
I am willing to endure whatever punishment you choose to give!
Me... Me too!
I want to go too!
I want to go!
I want to go too Augustine
Her-cules!
Pardon my indiscretion Knights Leader!
You want to go too Lucas?
Really... What a capricious group of people...

I reckon that the foundation that establishes...
...what a knight is, is neither in swordplay nor spirit!
If that's the case, then please allow Actel to leave and go forth.
You're right.
...Of course.
Regardless of how immature she is, to have her stay here and not confront the enemy,
that will destroy her very soul.
Lucas...

Lucas...
Lucas.
I understand that the Knight's Leader is very worried about Aciel's wellbeing.
but
The one named Aciel, the genius knight's soul!
The German knights.
are indeed well-suited for psychological warfare
!!
Please don't end up killing it!

EXTEND
Immediately get yourselves to Gozo Island!
Ninth Branch!
KNIGHTS' LEADER!
YES...!
Don't be too eager to die!
Young man, remember this!

God...



The Ninth Branch of Knights

The diamond at the heart of the Maltese cross,

Please protect them

Don't set sail yet!

Captain Florent!

Captain Red!

Ah? Where's Actel-dono and everyone else?

This is my request.

We're about to leave!

Hurry! Hurry!

I know.

Hey!

I alone am sufficient to deal with those Barbary pirates...

Haha
Dang!
IT LOOKS LIKE YOU'RE THE ONLY ONE WHO MIGHT BE FIRED, HERCULES
What are you talking about? We have obtained the necessary permissions.
Which means that the entire team has been fired?
You guys have come too?
AL?
You have such good luck, Aciel-dono
It's blowing towards Gozo Island
Oh, what a good gust of wind we're getting!
SWI
Quick, get on the boat, the wind's picking up!
SHoot
sho—ck!
Aciel's really quiet.
My boat still lacks sailors
Sorry about having to call you out and to use your boat,
Captain Florent. And thanks to your crew members as well
It's alright, everyone is glad to be of help to you.
Exactly!
Aciel-dono!
Long time, no see!

Then!
SFX: ROAR!
Let us begin our crusade against the Barbary pirates!
Cast off!
SFX: FWSSHHH SHAA...

I...
Daniel-dono, we will be right there.
Wind!
Please be safe.
Blow us to Gozo Island in one swift breath!
!!
...will be your body-guard.
In spite of everything, be safe.

Lucas.
So...
You must let me stay closely by your side.
Because to ask you to not be reckless and impulsive is pointless ..
For you,
just go after Dragut Reis.
It's too slow this boat
Huh?
PISSED OFF
Leave Daniel-dono to Hercules.
Aciel.
Go and avenge your dear father

I understand how you must feel, so.
Just do as you wish and that will be fine.
But you have to promise me you cannot die.
Lucas
Thank you.
Lucas

REACH...
U...
uwaaa ahhhh...!
Gaah!
!!
ACIEL!
pat
pat
...
...
just a hug

Thank you, Lucas.
Is this preferential treatment?
Yep!

Can you wait a bit?
Everyone can get some food
What's that all about?

Dragut Reis,
who killed Father, the Mediterranean Sea's fiercest and strongest pirate.

It doesn't matter how well I swing my blade
How many I slash
The enemies just keep coming!
At the very least!
I have to get Branch Leader Daniel
to leave this place alive!

Team Zica Credits: *Yun* helped with the typing. Thank you! Your help made the typing so much faster and lighter! <3

Has already lost all sensation.
My right hand...
pant
pant
Is it already my limit...?
Looks like a girl!
Why is he so strong?
But look, he's already very tired.
Onwards!
Ah? Me? Why me?
YOU GO FIRST!
YOU SHOULD BE THE ONE TO START!
NOISE

Team Zica Credits: ***Zilvere*** cleaned. *hugs* Thank you! it's been 5 vols working together! You are the master of smoke, indeed!

SLA...SH!
Gyaaaaaaa!!
Ever since I renounced my previous identity as the district bishop and became a St John's Knight...
I have always...
followed my younger brother Hercules...
in learning swordplay...
Honing my sword-play...
Even though I may not reach the standard of my genius younger brother...
But I started to develop an undefeatable spirit and confidence...
So up to the very end of this moment,
I want...
to use all my strength...

STAND
Hey, Serpent of Christ.
Your sword handling is indeed not half bad.
To kill you would be a real pity.

As a sign...
of respect to you
This man,
The caucasian Turkish pirate...
Why does he give off such a calm and steady aura?
In the midst of this tragic battlefield, drenched in fresh blood and the smell of acrid smoke,
He's like an angel standing in the middle of it all.
So, let me be...
the one who kills you...

Indeed.
The Angel of Death...
JUMP
TAP

Dragut...
Reis?

The number one pirate of the Mediteranean Sea...
I've heard plenty of rumours about you
I never thought that I'd be able to lay my eyes on the actual person himself
How joyful
You...
...on a closer look...
...possess the Turkish Emperor's favourite concubine's beautiful looks
Could you also be a female knight?
Leave this guy alive!!
CLA
NG!!
Is far stronger than I am!
I definitely cannot...
This guy...
Knows about Aciel?
Unfortunately I'm male...
...and the female knight that you speak of...

According to what you said, Italy's Knight dono should also be rushing there to fight.
Yup
the inhabitants immediately fled for the inner mainland Rabat
When the pirates attacked Gozo Island
SPLASH
Indeed he is worthy to be a privateering member
to be so familiar with the enemy and to know difficult-to-access terrain
Really, the other branch team must find it impossible to reach the mainland as quickly as us
SPLASH
SPLOSH
In any case our leading party's numbers is just really too little
Up to the moment when I arrive
Until the backup support troops arrive, we have to move as quicly as possible
SPLOSH
Elder brother, you must survive

CLANG...

I have...

CLINK...

Rather it lies in your stamina
It's a pity
Your inadequacy doesn't lie in your technique...

I don't have time either...

Hercules...
I have to tell you something

still not yet the strongest.

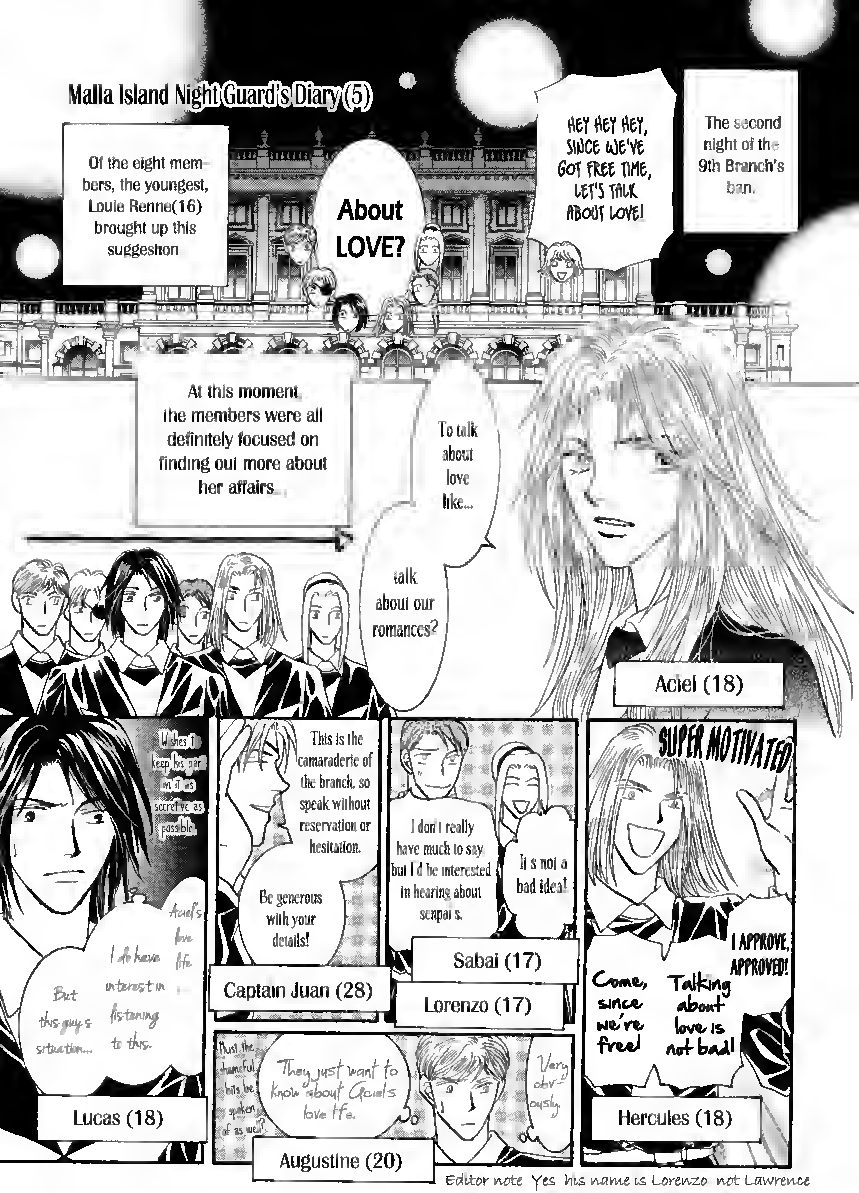
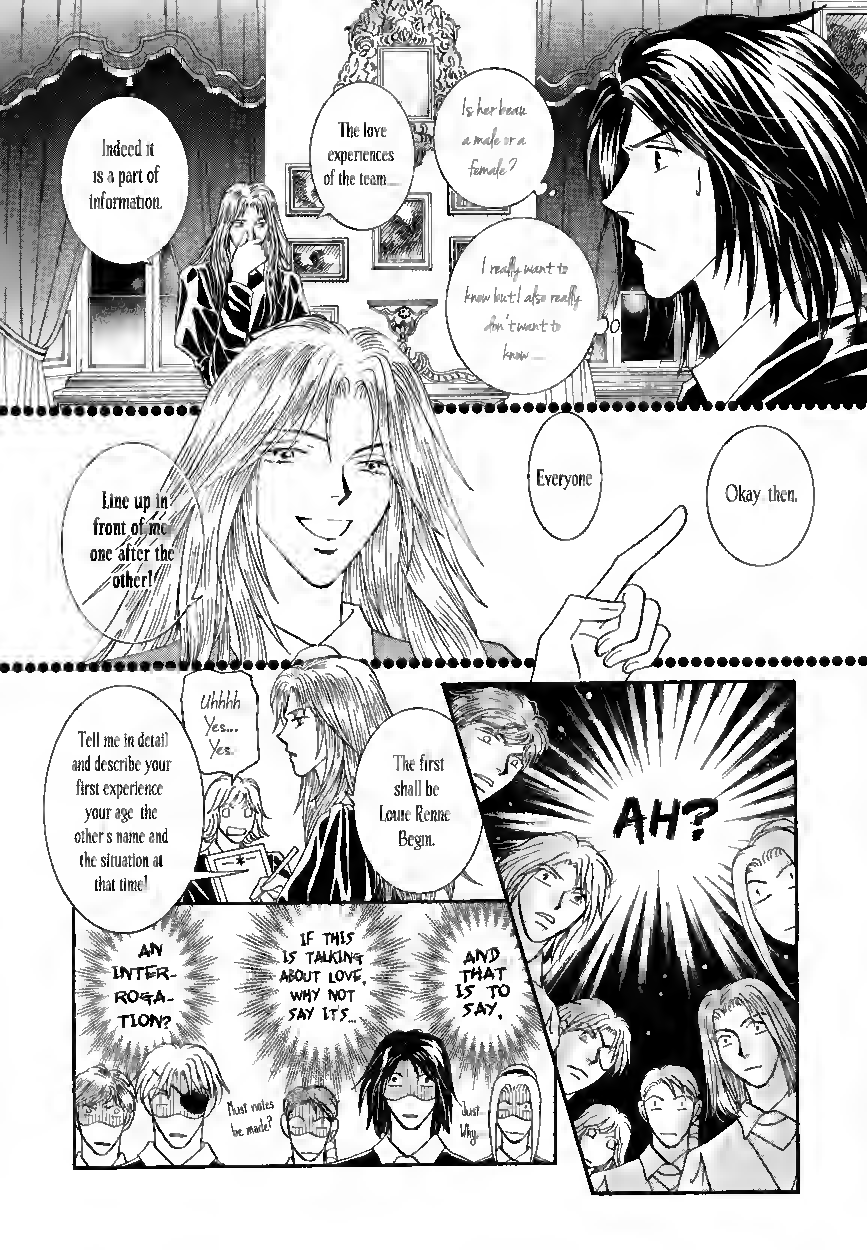
SFX:SLASH!
...Hercules?

Just yet...
we cannot
win against
that man.



Malla Island Night Guard's Diary (5)
Of the eight members, the youngest, Louie Renne(16) brought up this suggestion
About LOVE?
HEY HEY HEY, SINCE WE'VE GOT FREE TIME, LET'S TALK ABOUT LOVE!
The second night of the 9th Branch's ban.
At this moment, the members were all definitely focused on finding out more about her affairs...
To talk about love like...
talk about our romances?
Ciel (18)
Wishes I keep his gaze on it as secretive as possible.
Ciel's love life...
I do have interest in listening to this.
But this guy's situation...
Lucas (18)
This is the camaraderie of the branch, so speak without reservation or hesitation.
Be generous with your details!
Captain Juan (28)
I don't really have much to say, but I'd be interested in hearing about senpai's.
It's not a bad idea!
Sabai (17)
Lorenzo (17)
SUPER MOTIVATED
I APPROVE, APPROVED!
Come, since we're free!
Talking about love is not bad!
Hercules (18)
Trust the shameful hits be spoken of as usual
They just want to know about Ciel's love life.
Very obviously
Augustine (20)

Editor note Yes his name is Lorenzo not Lawrence After all he's spanish Bad translation again sorry people



Indeed it is a part of information.
The love experiences of the team...
Is her beau a male or a female?
I really want to know but I also really don't want to know...
Everyone
Okay then.
Line up in front of me one after the other!
Uhhhh Yes... Yes.
Tell me in detail and describe your first experience your age the other's name and the situation at that time!
The first shall be Loue Renne Begin.
AH?
AN INTER-ROGA-TION?
IF THIS IS TALKING ABOUT LOVE, WHY NOT SAY IT'S...
AND THAT IS TO SAY,
Just notes he made?
Just Why

I too have never had a girlfriend.
It was just a loss, that's all !!
Heh heh...
This kind of thing will become hot gossip!
This will completely destroy a mans self respect!
They will never be able to retract back any of this for the rest of their life!
She doesn't know anyone to be...
What a scary fellow...
Next is...
Hercules!
SINCE I WAS 9 TILL NOW, I'VE ALREADY BEEN WITH 300 PEOPLE!!
I HAVE A LOT OF EXPERIENCE! AMAZING, SUPER LOVE HISTORY!
YES! YES! YES!
mumbles
mumbles
Uhh. First experience was...
Before I came to Malta When I was 14
If you lie your tongue will be cut off.
SHUDDER
Honesty is the best policy
THERE IS NOT A SINGLE EXPERIENCE WORTH MENTIONING!
No experience right!
I have only ever been kissed by a black cat that's all
I AM SORRY!
CHILLING

SUPER PROUD OF HIMSELF
My beau's age ranged from 11 to 67
I accumulated enough skills from the clean break type to the clingy sort.
The longest game was 78 hours!
Hercules... Counts as normal sexual appetite
That should be about it, 3Q.
ASK ME MORE!
ACIEL, I DEFINITELY WILL BE ABLE TO SATISFY YOU AFTER YOU'VE TRIED ONCE YOU'LL DEFINITELY BE ADDICTED!
Thank you but declined to state current love attitude!
I...
...have to write the manual that needs to be sent to the hospital tomorrow
Right, I just remembered that I have something to do
Me, me too I have urgent things to do.
SO ACIEL WAS CONDUCTING AN INTERROGATION!
COME BACK AND SAY EVERYTHING PROPERLY, EVERYTHING!
THIS IS YOUR BRANCH LEADER'S ORDER!
Sorry, Aciel!
That set of notes is just too horrendous.
Eh?
The three guys over there, the interrogation has not ended!
Flinch!
How could I let such a person get ahold of my weakness!
From that night onwards, there was a new rule to never talk about love in front of Aciel
FLEE

Umi ni Kishidan 6 Mitomo Togawa
Live? or Die?
I would love to show you around Turkey
Come.
If I don't defeat this man quickly
And return to Aciel's side.
I'm afraid that Aciel might be killed!
The Battle of Gozo!
Do bring my corpse there!
If I die,
